About Fews

Fews are a leading provider of marquees, temporary buildings, and structures in the UK.

We are proud to provide specialist structures with cutting edge technology to all sectors.

Backed up by a team of experienced project managers, site managers, foremen and installation crews, the business has a unique approach to temporary buildings solutions.

Focussing on:

- ◆ Sustainability
- ◆ Health and safety
- ◆ Fast Installation
- ◆ Impeccable service

“We focus on quality and aim to be the very best”

Ian Few
Managing Director

An unrivalled level of service

Expert advice

Our service starts the moment the conversation with you starts.

We listen carefully to your requirements and concerns. We can then apply our experience and expertise to offer the right solution from our extensive range of products and accessories.

We provide high quality solutions to the most complex of problems including building in tight spaces, specific insulation needs, ground fixings and access. Site visits are free and without obligation.

Matt Porter
Head of Sales

Jack Moore
Sales Assistant

Few offer a methodical and comprehensive approach to the service we offer our clients.

Turnkey solutions

We are experts in the temporary structures industry, and we can offer full turnkey solutions for a variety of applications.

Beyond the structure, we can include:

- ◆ Lighting, heating, air conditioning
- ◆ Power distribution
- ◆ Professional end-to-end management

Just pick up the key. That's it!

Health & safety

Our teams work to provide a seamless and safe working environment for everyone.

- ◆ We deliver using our own fleet of vehicles
- ◆ Well-trained rigging crews
- ◆ Extensive accreditations
- ◆ Commitment to staff, client and public welfare
- ◆ Method statements for different structure types
- ◆ Risk assessments for hazardous activities
- ◆ Documented inspection of our equipment

You can be sure that our tried and tested systems can be relied upon.

Nick Gray
Health & Safety Officer

Project management

Few have a team of project managers ready to take you through every stage of the process. From the initial enquiry to handover, a single point of contact will ensure that every detail is given the attention it deserves.

- ◆ Experienced experts in the field
- ◆ Dedicated to each project
- ◆ Detailed management
- ◆ Professional and prompt handover

Introduction to the structure

A blank canvas for innovation and customisation. Custom fit to specific requirements, this structure opens up opportunities never seen before in the structural industry.

Every system within can be individually configured to create not only a structural masterpiece but high-end, pioneering appearances.

This structure is totally demountable and relocatable, so if your plans change then the building can go with you.

- ◆ Single or multi story structure
- ◆ Designed for use as a permanent building
- ◆ Offering high-end structure possibilities
- ◆ Expansive variety of personalised structural and finish options

Ideal for:

- ◆ **Car Showrooms**
 - ◆ **Offices**
 - ◆ **Classrooms**
 - ◆ **Gymnasiums**
 - ◆ **Retail stores**
 - ◆ **Restaurants**
 - ◆ **Hospitality**

Options

Options for the Manhattan structure include:

- ◆ **Insulated, multi-layer thermo roofs**
- ◆ **Vertical or horizontal glass facades, interior cladding**
- ◆ **Single doors, double doors and sliding doors**
- ◆ **Floor and lighting systems**
- ◆ **Reusable and relocatable**
- ◆ **Rapid construction**

External Cladding

Extensive glazing system can be personalised and altered to custom fit specific requirements of the structures use to enable open-plan structures or fully enclosed structures.

Further customisation options include:

- ◆ **Coloured powder coated window frames**
- ◆ **ABS panelled wall,**
- ◆ **Thermal insulated cladding**
- ◆ **Tensioned PVC walling**

Sustainability

- ◆ **Aluminium frame is 100% recyclable**
- ◆ **Utilises durable and lightweight materials to reduce the load weight for transportation**
- ◆ **Reduces CO₂ emissions due to its relocatable and reusable properties compared to permanent buildings**

This is in line with Few's overall strategy of finding sustainable options throughout our business.

6 points of sustainability

Few are committed to environmental sustainability, and it forms part of our long-term planning.

Wherever possible we look for ways to adopt sustainable working practices. We generate our own power through Biomass and Solar, invest in the latest efficient vehicles and machinery, and recycle carpets and other goods consumed in the process of running the business.

We divide our approach into six key areas and ensure that each is maintained and reviewed.

- ◆ Biomass Heat Generation
- ◆ Solar Powered Energy Generation
- ◆ Energy Efficient Structures
- ◆ Sustainable Processes
- ◆ Vehicle Fleet
- ◆ Recycling
