Molly Clark
Sales Manager

Fews offer a methodical and comprehensive approach to the service we offer our clients.

Turnkey solutions

We are experts in the temporary structures industry, and we can offer full turnkey solutions for a variety of applications.

Beyond the structure, we can include:

- ◆ Lighting, heating, air conditioning
- ◆ Power distribution
- ◆ Professional end-to-end management

Just pick up the key. That's it!

Health & safety

Our teams work to provide a seamless and safe working environment for everyone.

- ◆ We deliver using our own fleet of vehicles
- ◆ Well-trained rigging crews
- ◆ Extensive accreditations
- ◆ Commitment to staff, client and public welfare
- ◆ Method statements for different structure types
- ◆ Risk assessments for hazardous activities
- ◆ Documented inspection of our equipment

You can be sure that our tried and tested systems can be relied upon.

Nick Gray
Health & Safety Officer

Project management

Fews have a team of project managers ready to take you through every stage of the process. From the initial enquiry to handover, a single point of contact will ensure that every detail is given the attention it deserves.

- ◆ Experienced experts in the field
- ◆ Dedicated to each project
- ◆ Detailed management
- ◆ Professional and prompt handover

The Orangery, a unique event space

The Fews Orangery event structure offers a beautiful and unique event space.

This majestic black aluminium event structure is available in up to 25 metre widths, 3 metre or 4 metre leg height with clear or white PVC. The Orangery event structure is premium and comes with a deck level cassette floor and sliding doors to wow your guests.

Expanding the versatility of this premium event structure, we also offer a winterised version, which can include double glazing, an insulated twin skin thermo roof and 10mm insulated sandwich panel walls.

- ◆ **Up to 25 metres wide in 3 metre leg**
- ◆ **Up to 20 metres wide in 4 metre leg**

- ◆ **Low maintenance, sustainable concept**
- ◆ **Maximises available light**
- ◆ **Sliding doors with elaborate fretwork**
- ◆ **Walling with elaborate fretwork**
- ◆ **Up to 750kg of suspended loading per 5m bay (depending on structure width)**

Unrivalled flexibility as a permanent venue

Our Orangery structure provides perfect, flexible spaces that can be used for many purposes and is fast to install, modular in design and has a long life span.

With double glazed windows and doors, the potential of an insulated twin-skinned thermo roof, the orangery makes a robust and attractive permanent venue.

Sustainable and energy efficient, in every way.

We can provide full turnkey solutions including:

- ◆ Double glazed windows & doors
- ◆ Low maintenance vinyl flooring and wipeable surfaces
- ◆ Full fit-out including power distribution, HVAC and lighting
- ◆ 24mm Insulated hard walling with sound reduction and thermal insulation
- ◆ Insulated thermo roofs

Ombersley Court

The Few's solution

The Orangery, set upon the stunning lawns surrounding Ombersley Court, was in place and set for a magnificent event that hosted over 300 guests who were in attendance of the annual Worcestershire Tourism Awards. Ombersley Court, a spectacular Grade-I listed Country house was built in the 1720s and is set in a 39-acre estate in Worcestershire. It was commissioned for Visit Worcestershire who organise the annual event.

The intricate fretwork built into the structure allowed a seamless flow between the black metal, the clear windows, and the Orangery wall paneling.

Providing a venue for the guests to celebrate the night away, the Orangery proved to be the perfect spacious layout, with its 4m side height and equally tall Orangery windows and walls which captivated guests from the second they entered the marquee.

Transforming at night, the illuminated venue that boasted with activity from the inside. The glass windows and walls created a luminous glow around the surrounding setting. The sliding Orangery glass door, allowed for a steady continuous flow of guests to and from the main entrance, making the entrance and exit from the Orangery seamless.

Project specifications

Orangery

- ◆ 15 x 40m Orangery structure
- ◆ Height: 4m
- ◆ Sliding glass doors
- ◆ Glass opening windows

SCAN ME

6 points of sustainability

Few are committed to environmental sustainability, and it forms part of our long-term planning.

Wherever possible we look for ways to adopt sustainable working practices. We generate our own power through Biomass and Solar, invest in the latest efficient vehicles and machinery, and recycle carpets and other goods consumed in the process of running the business.

We divide our approach into six key areas and ensure that each is maintained and reviewed.

- ◆ Biomass Heat Generation
- ◆ Solar Powered Energy Generation
- ◆ Energy Efficient Structures
- ◆ Sustainable Processes
- ◆ Vehicle Fleet
- ◆ Recycling
